ALLIS & HOWES, Evansville, In., AGENTS OF THE NEW YORK CANTON TEA COMPANY. The Oldest Tea Establishment in America.

THE Canton Tea Company has been popularly known for many years. This is the largest and oldest Tea Establishment in America. The public have had full proof of their integrity and responsibility. But such has been the great and pressing demand for their Teas of late, that they have been oblicated. ged to enlarge, to a great extent, their two principle establishments in New York, viz:

They moreover possess facilities, in relation to the Tea trade, in a very abundant degree, and doubtless superior to any other Tea Concern in America.—
Their scrupulous regard to all principles that tend to elevate the character of a large house, is well understood, and has already procured them a connection, probably, larger than all other Tea establishments united, and they consequently are determined to sell teas purer, more fragrant, and perfect for the price, in the aggregate, than any house in the world—China excepted.

China excepted.

They most zealously invite the attention of the inhabitants of this city and surrounding country to their agency—Messrs.
